TIMBERJAY CLASSIFIEDS

Considerations of personal privacy, time and resources prevent the newspaper from investigating ads placed in the classified section. If you respond to an ad, we urge you to use the same care and prudence that you would use when conducting business in any other situation.

Classifieds run in all 3 editions of the Timberjay.

Line classifieds cost 30¢/word, $6.00 minimum. Classified ads can be run a second time at half price (private parties only). We now accept payment by Visa, Mastercard and Discover. Call your ad in to 218-753-2950. Display (boxed) classifieds are billed by the "inch"- please call for prices and information on discounts. Call Today – 218-753-2950 or 218-365-3114

PUBLIC NOTICE

ELY UTILITIES COMMISSION NOTICE
EUC Electric Customers

The Ely Utilities Commission is pleased to announce the introduction of two new electrical rebate programs for our commercial customers. The first program is the **Commercial Lighting Powergrant**. Commercial customers may receive a grant from the EUC if they install qualifying energy efficient lighting. This grant is based on the type of existing fixtures and the number and type of replacement fixtures. Any commercial customer interested in this program can contact the EUC billing office at 218-365-5900 to receive the application. The second program being offered is the **Commercial Powergrant Program**. Commercial customers may receive a grant from the EUC if they install a proven energy efficient improvement on their business such as lighting control, refrigeration, or an energy management system. The rebate is based upon a $0.035 per KWh of energy saved in one year. Please contact the billing office if you are interested in this program.

The EUC is also scheduling a **fluorescent bulb recycling day** in the near future and will also be offering a **Compact Fluorescent light bulb give away** at this same time. This event will be advertised in the upcoming weeks.

The Ely Utility Commission also continues to offer wind-generated power to interested cutomers through the **Windsense Program**. Any customer interested in this program can purchase 100 KWh blocks of power for an additional $2.50 per block.

The Ely Utilities Commission is working to reduce the energy consumed by our customers and is dedicated to meeting the requirements of the Conservation Improvements Program. Feel free to contact the EUC concerning any of these programs.

Sincerely,
Harold R. Langowski
Operations Director

PUBLIC NOTICE

Attention Greenwood Township Voters

Absentee ballots for the December 8, 2009, ISD 2142 Bond Referendum are being handled by the ISD 2142 District Office.

Absentee Ballot Application Forms are available at the ISD 2142 Office located at 1701 N. 9th Ave., Virginia, MN 55792.
For information call (218) 749-8130. Fax: (218) 749-8133.

You can download the application from http://www.isd2142.k12.mn.us and then send completed form to: St. Louis County Schools - ISD # 2142, Attn: Linda Cox, 1701 N. 9th Ave., Virginia, MN 55792.

Residents who will need to vote absentee can also stop by the district office, complete the application, and vote at the same time.

Voting on December 8, 2009 will take place at the Tower School, 415 N. 2nd Street, Tower, Minnesota, from 7 a.m. - 8 p.m. A voter must be registered to vote to be eligible to vote in this election. An unregistered individual may register to vote at their polling place on election day. New registrations on the day of election need to bring proof of residency such as a driver's license with the voter's address, utility bills and/or someone who could verify that the person does reside in Greenwood Township.
